FALL is officially here! My absolute favorite time of the year! Since we made the decision to forego our Annual Banquet and Gala Event this year due to construction and other concerns with holding it this year, I wanted to take a moment to touch on what this season represents. Thanksgiving especially is a time of reflection and a time to count your blessings. When I do this I realize just how blessed I am! I have a wonderful family, a new little one on the way as well as a wonderful work family too! We, at Kenyon Senior Living, are SO thankful for all of you and your support of our campus!

The decision has been made that in Emily's and my absence that we will not be creating a newsletter, but we will continue to mail out our Activity Calendars. Expect to see the newsletters again upon our return in 2019!

Again, I want to mention our plans during my absence as well as during Emily's absence. Our Director of Nursing Rachel Peterson will be responsible for managing the campus in my absence. We have contracted once again with Tom Nielsen, a Licensed Nursing Home Administrator from Northfield Retirement Community to help cover my duties and be available for emergencies. Valerie Gunnerson is the temporary Licensed Social Worker who we have contracted to be in the office two days a week, typically on Tuesday and Thursday. For day-to-day business feel free to contact Denise Budd, our CFO, on Tuesdays and Thursdays and Julie Dyrdaahl on Mondays, Tuesdays, Wednesdays and Fridays. These two will be able to assist you or direct you to the right person on campus that can assist you with what you need!

As soon as my new little one and I are settled into our new routine, I will be sure to plan a trip to campus to visit everyone. I have said it before, but I will say it again, it really is hard being away. I foresee myself being in contact with my work family more frequently than I was on my last maternity leave!

Please call (507) 789-7126 prior to the 14th and let Christina know that you will be joining your loved one for the meal. This way we can ensure that we have plenty of food for all. The cost for a holiday meal is \$8.00.

The KSL residents voted this year to donate the funds raised during our annual Chicken BBQ to the local All Seasons Community Food Shelf's Backpack Program. We were able to present them with a check for \$457.00!
