# Kenyon Senior *Living* "Serving our seniors with purpose, compassion and care!"

## About Us

No two people are alike, and this is why at Gunderson Gardens Apartments, Rose Wing & Sunset Wing, our assisted living options are designed around the concept of choice. You choose the type of accommodations and array of services that fit your needs. We accept both private pay & County Assistance. We offer 15 Apartments, comprised of both 1 & 2 bedrooms, as well as 24 simplified units in the Rose and Sunset Wings. We provide complimentary laundry room facilities, internet, TV and cable services.

The common areas on campus include two dining rooms, party room, activity rooms, library, multiple sitting rooms with TV, a sitting room with a fire place, garden spaces, courtyards and covered outdoor seating areas.

Kenyon Senior Living has partnered with Select Rehabilitation to provide on-site services not only for our campus, but the entire community & surrounding area. We are proud to have one of the best therapy programs around working with our residents. In addition our campus is physically connected to the Northfield Clinic (coming Oct 2021), which allows our residents to access medical services without having to step one foot outdoors!

## Our Mission Statement

We are a Christian Faith Based not for profit organization that extends the ministry of caring through a variety of quality services for the elderly, families, and the area communities.

**Kenyon Senior Living offers a full range of personal health care services.**
